

WEST PASCO MODEL RAILROAD DESIGN TEAM MEETING NOTES

DATE: 09/20 & 09/22/2023

ATTENDEES: Ralph, Bill, Tom, Neil, Keith

TITLE: Where's Union Station?

Union Station has been relocated from the City of Rockville over by the meeting room entrance door. The Fells Point station has been relocated over near the City of Rockville.

Some of the scenery items for Port Charles have been temporarily placed in the area for design concept. The area near the "Hot Corner" has been scaled out to place the ball field and the movie theater. More changes are coming as scenery items are identified and placed for temporary evaluation.

Two prototypes for fascia switch mounting were made and review of the designs discussed. Prototype changes still to come before final design approval is given. The designs feature LEDs to help indicate direction of turnouts that are easily visible from a distance.
